Report No.: NVI 17.9. Available from: <http://apps.who.int/iris/bitstream/10665/259232/1/WHO-NMH-NVI-17.9-eng.pdf> (Author for Updated Appendix 3)

Theses

- 2015 The University of Western Australia, School of Population and Global Health: Pathology testing: scope and assessments of quality in economic evaluations (First Class Honours)
- 2014 The University of Western Australia, School of Women's and Infant's Health: Asymptomatic vaginal colonisation with *Ureaplasma* spp. During pregnancy: Is there an association with an increased risk of preterm birth? (First Class Honours)

Teaching

Tutoring

- 2019 Health Systems and Economics, Master of Public Health, The University of Western Australia, 0.1FTE
- 2016-2018 Bachelor of Science, Medical Sciences Major, The University of Western Australia, 0.1FTE
- 2014-2018 Doctor of Medicine, The University of Western Australia, 0.2FTE

Invited Lecturer

- 2019 Master of Public Health, "Health System Reform", The University of Western Australia
- 2019 Doctor of Medicine, four selected topics in global health. The University of Western Australia
- 2019 Bachelor of Population Health, "Approaches to Financing Health Systems", The University of Western Australia
- 2019 Bachelor of Population Health, "Practical Project Management", The University of Western Australia
- 2019 Master of Public Health, "Practical Project Management", The University of Western Australia
- 2018, 2019 Bachelor of Population Health, "Equity and Ethics", The University of Western Australia
- 2018, 2019 Bachelor of Population Health, "Global Health Governance", The University of Western Australia
- 2017 Master of Public Health, "Quality Appraisal in Health Economic Evaluations", The University of Western Australia

Advising

- 2019 Lachlan Whang, "Effect of the Master of Public Health on Career Path"

Some Kind Feedback

- 2018 "Dear Rory, thanks so much for everything you've done for us this semester in leaps. You've truly gone above and beyond"
- 2018 "Dear Rory, Cheers for being a great leaps tutor and making it more fun than I thought leaps could be. You're a ripper teacher"
- 2017 "Rory is a really really good tutor and always makes our tutorials interesting, fun and engaging! He is very approachable and always happy to help :)"
- 2014 "Thanks for being the most awesome LEAPs tutor ever! I honestly don't think I would have learnt as much (or had as much fun) in LEAPS if our group didn't have you as our tutor!!"
- 2014 "Thanks for being a great tutor and so entertaining every week"

Talks

- 2019 Public Health Association Australia WA Branch Student Careers Night, "Careers in Public Health"
- 2019 Torrens University Population Health Careers Night, Melbourne, "Careers in Public Health"
- 2019 Public Health Association Australia ACT Branch Student Careers Night, "Careers in Public Health"
- 2019 School of Population and Global Health information evening, "Careers in Public Health"
